Question 1: Do you support the move to three tiers?

Yes

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

Even the Tier 1 (£500k) has in effect not changed for years and should be £750k , bearing in mind inflation

Question 2: Do you consider that the proposed thresholds have been set at an appropriate monetary level in order to support a proportionate approach to reporting?

No

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

See earlier answer

Question 3: Do you agree that the Exposure Draft SORP clearly sets out the proposed reporting requirements for each tier?

Yes

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

No Response

Question 4: Do you agree that charities within the largest income threshold should be referred to as 'tier 3' charities, or should they be referred to as 'tier 1' charities?

Disagree – should be referred as tier 1

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

Then you can add lower Tiers eg £25k for R&P

No Response

No Response

Question 7: Do you consider the requirements for impact reporting for each tier to be proportionate?

No

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

Extra work and costs for smaller charities who can barely afford any fee

Question 8: Do you consider the requirements for sustainability reporting for each tier to be proportionate?

No

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

A nicety which small charities no doubt would like to aspire to, but without concomitant costs to report

Question 9: Do you consider the disclosures for volunteers to be proportionate?

No

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

The largest charities do this anyway as part of their public profile..
Smaller charities probably use a greater proportion of unpaid help compared to paid help but again should not need to waste time and money reporting that - to whom and for whose benefit ?

Question 10: Do you consider the explanation of reserves in the glossary helpful?

Yes

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

My experience is that Trustees are worried about the next day's financial pressure, and by the time the accounts with reserve note is published, they have moved onto fresh crises

Question 11: Do you consider the disclosures for reserves are proportionate?

No

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

Question 18: Do you find the module easy to navigate as drafted?

None of my charities have ever had an exchange issue as they are very local and not even national let alone international.

Question 19: Do you consider that the guidance on exchange and non-exchange transactions should be set out in separate modules of the SORP rather than separate sections of the same module?

No opinion

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

No Response

Question 20: In the Exposure Draft SORP, all the disclosure requirements are listed at the end of the module. Would it be clearer instead to set out the relevant disclosures at the end of each section within the module?

Question 27: Does the section (paragraphs 10B.68 to 10B.84) on arrangements that are significantly below market value provide clarity on how to account for such arrangements?

Yes

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

No Response

Question 28: Are the additional disclosure requirements set out in paragraphs 10B.95 and 10B.129 reasonable for charities with such arrangements?

No Response

Question 30: Do you agree with the proposal in the Exposure Draft SORP that only tier 1 and tier 2 charities, that do not meet the small entity threshold, and all tier 3 charities are required to prepare a statement of cash flows?

No, this should be required of all tier 2 and 3 charities

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

Cash flow statements are irrelevant to Trustees by the time they discuss the accounts, months after the date of the accounts. They are more interested in tomorrow's problems

Question 31: Do you have any other comments on module 14?

No Response

Question 32: Do you agree that the additional disclosures are helpful?

Yes

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

But this only has very limited use. Trustees are more interested in charitable purpose than getting their heads around alien concepts such as return on endowments.

Question 33: Do you agree that the additional disclosures are proportionate?

Still over costly to prepare

Yes

Please provide reasons for your answer or suggestions on how you think Section 1A could be applied differently: (250 word limit applies)

Question 42: Do you have any other comments on the Exposure Draft SORP?

It might have been helpful to state who needs this. Presumably it is the major, international household names, who may need some extra reporting/ control
