Question 29 - please provide any other comments you have on module 10B:

I have concerns over this module as this will impact on both a charities balance sheet and income and expenditure account. It might mean that some charities that could previously have an independent examination will now have to have an audit leading to increased costs (which I think will only increase with the introduction of the new SORP due to the changes in contract income recognition and leases).

This will also be very difficult to explain to Trustees. As an accountant I find this challenging, for someone who is not finance orientated this could be very hard.
