This is complete nonsense - why would you show an item you are hiring for a specific period as an asset? Stupid disclosure that is going to completely confuse Trustees and charity users alike.

Question 40: Do you agree that the drafting, structure and proposals in the Exposure Draft SORP support the needs of smaller charities whilst addressing the needs of users of charity reports and accounts?

No

Please provide any reasons for your answer here, if you wish to do so: (250 word limit applies)

The Charity Commission have made the disclosure requirements for small charities far too onerous. This has resulted in small charities having to appoint accountants and pay fees out of hard fought for fundraising. The disclosure requirements for a charity are far more onerous than for a company and while I appreciate it is public money I really don't think it needs to be so complicated.

Question 41: Do you agree with the SORP-making body's decision to continue to disallow the application of Section 1A?

No

Please provide reasons for your answer or suggestions on how you think Section 1A could be applied differently: (250 word limit applies)

Again, as stated previously the disclosure requirements are far, far too onerous for small charities and by adopting this stance you simply continue to make it worse.

Question 42: Do you have any other comments on the Exposure Draft SORP?
